*Checking account service package features may impact ATM fees.

**Overdraft Fee: Overdraft refers to any item that makes your account go negative, sometimes referred to as NSF (Non-Sufficient Funds) in documentation. Fees may apply to Overdrafts created by check, in person withdrawal, ATM withdrawal, ACH or other electronic means. An item may be presented for payment more than one time. We may charge you overdraft fees for each resubmission of an item or re-presentation of a check, which means you may incur multiple overdraft fees on the same item if it is returned more than one time. The maximum overdraft charges per day will be limited to 5 items.

***A \$10.00 fee will be assessed for each S.O.S. transfer. If there are not sufficient funds available in your linked savings account to cover all items presented plus the transfer fee, the funds will not transfer. Instead, the item(s) will be returned, and applicable overdraft fees will be applied against the personal checking account.
